Festival Fringe

At our second festival, the *al fresco* musical fringe was a great success and put a spring in the step of passers-by. Organised by Terry and Janice Jones and taking place on the seafront corner of Mast Lane Saturday and Sunday between 12 noon-4pm, the fringe offers free performances from a whole range of North East musicians and sends its sweet tones drifting over the bay.

Artists already booked to appear include:

Jill Watson with Cornshaft, John E Thornton, Larry Page, Lindsay O'Neill Brown, Mike Waller, Muddy Line Duo, Phil Mitchell & Blues Band, Ray Rowley, Sarah Toffoli, Shaw Clark Project
